

Vehicle Registration Amnesty Program Ending

New Information

The current Vehicle Registration Amnesty Program ends on December 31, 2010. As of January 1, 2011, the Department of Motor Vehicles will not process Vehicle Registration Amnesty Program applications.

Legislation passed in 2010 will add a new amnesty program beginning July 2011. A memo with the new program requirements will be distributed in spring 2011.

Background

The Vehicle Registration Amnesty Program was established for owners of specially constructed vehicles (SPCNS), for which the value was under-reported and/or the vehicle make was incorrectly reported. The amnesty program provides waiver from prosecution, in return for the immediate reporting and payment of previously under-reported vehicle value and/or vehicle make.
